Vehicle Details: (*Please **FILL IN** any missing details below and on next page*)

Trailer type (Semi, Pig, Dog):

Body (tipper, flat top,dolly,etc):

No. of Axles:

Suspension: Make-Model:

Axles: Make-Model:

Brake kit: Make-Model:

Tyre Size :

_____ Single or Dual: _____

For Dog Trailers only : Wheelbase (m)

CofG height (m)

Below is a table in which to list the vehicle's lights and couplings.

Please ensure that ALL the lights and mechanical couplings you intend to use are **ADR approved**. All approved components are issued with a Component Reference Number (CRN) from DOTARS. If you are unsure of the CRN, please provide MAKE and PART No/Description so that we can track the CRN for you.

Lights and Mechanical Couplings:	Quantity (eg.2)	Make (eg. Hella)	Part No. (eg. 2379)	CRN (if known)
Direction Indicator Lamps (rear)				
Side marker lamps				
Rear marker plates or strip				
Reflex Reflectors (front)				
Reflex Reflectors (rear)				
Reflex Reflectors (side)				
Rear Registration Plate lamp				
Front position lamps				
Rear position lamps/Stop Lamps				
End-outline Marker lamps (front top corners)				
End-outline Marker lamps (rear top corners)				
Mechanical Connections - Kingpin				
Fifth wheel				
Rear Coupling				
Tow-eye/coupling				

Once we have received the above details we will prepare your Low Volume compliance application and send you our invoice which must be paid prior to submission to DOTARS. **NOTE**: The Approval process is a lengthy one. **YOU NEED TO ALLOW 4-6 WEEKS** from the time we submit your application before you receive your LVA compliance plate.

Please call if you require any assistance completing this form.
